The Leader of the Islamic Revolution's Three-Hour Domestic Production Capability Exhibition Visit - 28 /Jan/ 2023

This morning (Saturday), Ayatollah Khamenei, the Supreme Leader of the Islamic Revolution, spent three hours visiting an exhibition showcasing domestic capabilities in various fields.

This exhibition was held on the occasion of the year's slogan, "The Production, Knowledge-Based, Employment-Creating Year."

This exhibition showcased domestic capabilities in the fields of mining and exploration, electronics and telecommunications, aerospace and satellite, automotive, agriculture and food, railway transport, road, water and aerial transport, housing, oil and petrochemicals, home appliances, textiles, aquaculture, watershed management, electricity and power plant industries and dam construction and water management projects, and information and communication technology.
