

## **Emigration to an Islamic country**

**17 /Jan/ 2017**

**Q.** Is it obligatory on women who embraced Islam in the land of infidels to immigrate to the Islamic land because they cannot declare their Islam for fear of reprisal by their families and society?

**A:** They are not required to immigrate to the abode of Islam, should this prove unbearable. However, it is obligatory on them to keep up prayer, fast, and other obligations to the best of their ability.
