Deception in selling vegetables - 27 /Jun/ 2019

Q:
a) what is the rule on selling muddy vegetables or to pour water on them in order to keep them fresh and then to sell them like that?
b) is it permissible to sell vegetables in bunches/cleaned?

A:
a) by itself, it is no problem provided that it is exposed to the buyer and does not lead to his deception.
b) it is no problem provided that it is normal to do so there.
