

Deception in selling vegetables - 27 /Jun/ 2019

Q:

- a) what is the rule on selling muddy vegetables or to pour water on them in order to keep them fresh and then to sell them like that?
- b) is it permissible to sell vegetables in bunches/cleaned?

A:

- a) by itself, it is no problem provided that it is exposed to the buyer and does not lead to his deception.
- b) it is no problem provided that it is normal to do so there.
