To Wash Appearance of Body during Ghusl - 2 /May/ 2021

Question: Is it sufficient to wash the appearance of the body during ghusl? Is it permissible to put earplugs in the ear during bathing to prevent water from penetrating the ear?

Answer: It is not obligatory to wash inside eyes, nose, ears, etc. in ghusl, so if the earplug is placed inside the ear but it does not cover the visible part of the ear, there is no problem.
