The Supreme Leader’s response to the letters of the Head of the Hamas Political Bureau and the Secretary-General of the Palestinian Islamic Jihad:

Our hearts are on the scene of your struggles; You will see the final victory

In response to the letters from Ismail Haniyeh, head of the political bureau of the Palestinian Islamic Resistance Movement (Hamas), and Ziad Nakhaleh, the secretary-general of the Palestinian Islamic Jihad movement, Ayatollah Khamenei called the struggle against the Palestinian occupiers as the resistance against oppression, infidelity and arrogance. Moreover, he emphasized that our hearts are along with your struggles. We pray for the perpetuation of your victories constantly.

The text of the reply letters of the Leader of the Islamic Revolution is as follows:

In the name of God, the most beneficent, the merciful

To the Mujahid brother Mr Ismail Haniyeh (may Allah increase his honour)

Peace be upon you.

I have received your letter in which you described the recent Palestinian struggle. Your struggle is considered as the resistance against oppression, infidelity and arrogance, and such a struggle is pleasing to the Almighty God. It is an example of a verse of the holy Quran: If you support Allah (by struggling in His way), Allah will help you and make your feet steady. You will be victorious by the power and strength of God, and you will purify the holy land from the filth of the usurpers, God willing.

Your brother Seyyed Ali Khamenei
