How to Make Ghusl When Our Body Is Najis - 14 /Aug/ 2021

Question: If a part of the body is najis during ghusl, is it possible to use one wash to purify it as well as to perform ghusl simultaneously?

Answer: The whole body must be made pure before the beginning of a ghusl by immersion, but in a sequential ghusl, it suffices to make a najis part of the body pure before washing the same part as ghusl.
