Question: How far should we recite the verse of Al-Kursī? To the phrase "wa huwal 'aliyyul 'aẓīm" or to the phrase "hum fiḥā khālīdūn"?

Answer: Wherever the verse of Al-Kursī is said, the first verse (up to "wa huwal 'aliyyul 'aẓīm") is meant, except where it is specified that the next two verses (up to "hum fiḥā khālīdūn") are included.
