Dear students, The current political and military occurrences form part of the historic turn in the world that had been predicted. Our great nation's elites and outstandings have special responsibilities at this period. Understanding the fronts and adopting a correct stance are their short-term responsibilities. And preparing to play one's part in global developments to the advantage of the camp of truth is their longer-term responsibility.
You dear youth can shine brightly in both areas and boost the hope in the Associations whose name is adorned with the holy name of Islam.
