Supreme Leader Thanks Iranian Nation for Impressive Bahman 22 Rallies - 12 /Feb/ 2010

Ayatollah Khamenei the Supreme Leader of the Islamic Revolution issued a message praising the Iranian nation for their massive presence in the Bahman 22nd rallies. The following is an excerpt of the message:

In the Name of Allah, the Beneficent, the Merciful

Dear honorable Iranian nation,

I wholeheartedly thank God who manifested His hand of power through your faith, determination, and insight and proved the power and dynamism of the Islamic Republic - which is rooted in the faith and confidence of this ancient nation - to its enemies more than ever before on the 31st anniversary of the Revolution.

Is thirty years of trial and error not enough to awaken the arrogant and bullying powers and prove to them the futility of their efforts to dominate Islamic Iran?

Is the presence of millions of enthusiastic and insightful people in the ceremonies marking the 31st anniversary of the Revolution not enough to awaken the ill-wishers and deceived people inside the country who sometimes hypocritically claim to support the people? Is this not enough to show them the wish and path of the nation which is the path of pure Islam and our magnanimous Imam?

The friends and enemies of the Iranian nation should know that this nation has found its path and will remove all obstacles on its way to reach the peaks of success and prosperity by relying on God and their God-given power. May God bestow His assistance and success on this nation, and I hope this nation will benefit from the prayers of the Imam of the Age (may our souls be sacrificed for him).

Sayyid Ali Khamenei

Bahman 22nd, 1388
